Dear Ms. Ball:

License 2BE-TMP0509 (previously NWB2TMP0509) will be closed. Information contained in the Nunavut Water Board's Public Registry for this will indicate that the use of water and the deposit of waste into water will now cease permanently.

Subject to applicable provisions of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*, we are now closing this file. Should you require to use water or dispose of waste into water at this same location, you will be required to file a new water licence application.

Please do not hesitate to contact our office should you require further information.

Sincerely,
