Subject: 2BE-TRE0608 Final Closeout Report

Dear Mr. Gale:

Licence No. 2BE-TRE0608 has expired on September 30, 2008. Information received on August 1, 2008 and contained in the Nunavut Water Board's Public Registry for this licence indicates that the use of water and the deposit of waste into water on site has ceased permanently. Subject to applicable provisions of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*, we are now closing this file. Should you require to use water or dispose of waste into water at this same location, we will be required to file a new water licence application.

Please do not hesitate to contact our office should you require further information. Documents supporting the closure are available from our ftp site in the folder for 2BE-TRE0608/Technical Review/A & R.

Yours truly,
