Head Office: Bathurst Inlet, Nunavut

TO WHOM IT MAY CONCERN

This is to acknowledge that RockGate Capital Corp. has discussed and provided a detailed description of their proposed Turner Lake Project, Jam 1-4 Claims, to the Burnside Hunters and Trapper's Organization.

After correspondence by radio phone to the Yellowknife office (currently traveling between Yellowknife and Bathurst Inlet) and further explanation of the proposed project I do not see any problems with this drilling project proceeding and I am in support of their use of Kingaunmiut Ltd. and Bathurst Inlet Lodge for logistical services, accommodations and base office facilities.

During my absence from Bathurst Inlet you can contact Mr. Boyd Warner at (867) 920-4330 and e-mail me at bhta@bathurstinlet.com.

Yours truly,

..
