Hi Karl,

The License No. 2BE-TRN0813 was issued to Rockgate Capital Corporation on August 5, 2008 with an expiry date of October 31, 2013.

The Licensee is advised that according to the NWB Guide 7 Licensee Requirement following the Issuance of a Water Licence the Assignment application should include:

*A statement of financial responsibility of the assignee prepared in accordance with the NWB's Guide 4: Completing and Submitting a Water Licence and*

*Application for a New Licence, part 1, section 5, Block 20; and*

*A statement of the assignee's capacity to implement the conditions of the water licence and a schedule for the implementation of all plans, manuals, and reports to be submitted under the licence.*

The NWB Technical Department would like to advise that

- **Part B, Item 2** of the Licence requires Annual Reporting no later of the year following the year being reported. No any Annual Report was submitted to the Board;
- **Part H, Item 1** states that the Licensee shall submit to the Board for approval within sixty (60) days of issuance of this Licence, a revised Spill Contingency Plan.... No Spill Contingency Plan has been submitted to the Board;
- **Part I, Item 1** states that the Licensee shall submit to the Board for approval within sixty (60) days of issuance of this Licence, an Abandonment and Restoration Plan... No Abandonment and Restoration Plan has been submitted to the Board.

The revised Spill Contingency and Abandonment and Restoration Plans need to include the Licensee's updated information and be submitted to the Board (with a recent financial statement) to further process the application for assignment of the licence 2BE-TRN0813 from Rockgate Capital Corporation to Bama Gold Corp.
