Re: Crown-Indigenous Relations and Northern Affairs Canada's Review of Fuel Management Plan and Spill Prevention Response Plan for Water Licence Application 2BE-TTM---- for Bathurst Metals Corporation's TTMG Project in the Kitikmeot Region of Nunavut

Dear Richard Dwyer,

Thank you for the June 23, 2022 invitation to review the Fuel Management Plan and the Spill Prevention Response Plan, submitted by Bathurst Metals Corporation, as parts of its new water licence application for its TTMG Project in the Kitikmeot Region of Nunavut.

Crown-Indigenous Relations and Northern Affairs Canada, pursuant to its mandated responsibilities under the Nunavut Waters and Nunavut Surface Rights Tribunal Act and the Department of Crown-Indigenous Relations and Northern Affairs Act, reviewed the Fuel Management Plan and the Spill Prevention Response Plan and has no comment to provide to the Nunavut Water Board at this time.

If there are any questions or concerns, please contact me at david.zhong@rcaanc-cirnac.gc.ca or Andrew Keim at andrew.keim@rcaanc-cirnac.gc.ca.

Sincerely,

David Zhong,
Regulatory & Science Advisor
