**RE: Golden Bull Resources Ltd. – Walker Lake Project – Type B Water License Renewal  
- 2BE-WAL**

On behalf of Environment Canada, I have reviewed the information submitted with the above-mentioned application. The following specialist advice has been provided pursuant to Environment Canada's mandated responsibilities for the enforcement of the *Canadian Environmental Protection Act*, Section 36(3) of the *Fisheries Act*, the *Migratory Birds Convention Act*, and the *Species at Risk Act*.

Given there are no proposed activities taking place at Walker Lake in 2007, Environment Canada has no concerns at this time. If there are any changes in the proposed project, EC should be notified, as further review will be necessary. Please do not hesitate to contact me with any questions or comments with regards to the foregoing at (867) 975-4631 or by email at [cindy.parker@ec.gc.ca](mailto:cindy.parker@ec.gc.ca).

Yours truly,
