

Owing to the delays encountered in satisfying the information requirements of the NIRB's screening process, the NIRB is unable to provide its written report for the screening of this project proposal within the 45 days as set out in the *NuPPAA* and requires an extension to complete the screening to fully consider the project proposal and all comments and responses.

The NIRB anticipates that the screening of this project proposal will be completed by **June 28, 2019**, at which time a screening decision report will be submitted to the responsible Minister for consideration; should any additional time be required to conclude the screening process, the NIRB commits to providing further updates as deemed appropriate.

If this request is approved, the NIRB understands that the Minister will notify the Proponent and the NIRB of the extension.
