Subject: Whale Cove Project – 2026 Camp Closure Update

Dear Kyle, Atuat, Luis, Jakob, Brian, and Oliver,

Please be advised that Whale Cove Gold Corp. officially closed Vickers Camp for the season today, October 26, 2026.

We made good progress on the progressive closure of Pistol Bay Camp this year. Closure activities are now paused for the season and will resume next year.

We have included a photo of Vickers Camp taken on its final day of operation this season.

Please let us know if you have any questions.

We would also be happy to arrange calls or Teams meetings over the next month to discuss the 2026 exploration program and its achievements.

Thanks,

Brian
