Hello:

See below the note I received from the team:

The coordinate for the second camp if the terrain allow us to land with the Twin Otter is: UTM Zone 12 X, 551967 E, 7996457 N.

Keep in mind that we will have a fly camp for 2-3 days and it will be just 8-9 pop tents without any infrastructure (No weatherhaven, no bathroom, no kitchen)

Regards,

Denise

Hi Denise,

Just wondering if you can provide the 2nd camp location coordinates?

Regards,
Assol

Attached is an example. A manufacturer's manual would also work as long as it has all information to satisfy ECCC's Technical Document for Batch Waste Incineration (January 2010) and Government of Nunavut's Guideline for Burning and Incineration of Solid Waste.

Will you be able to provide the coordinates for the 2nd camp?
