**7. REASON – Provide written reason for cancellation request:**

The 2019 Geophysical program revealed a target that was not in line with the BHP portfolio. The company will not be pursuing a 2020 drilling program within those permits at this time.

**8. ABANDONMENT MEASURES**

The following measures have been taken to address the final abandonment conditions required by the licence: (explain, with drawings, how abandonment conditions of the licence have been met; how stream channels have been rehabilitated; how tailings have been recontoured; how instream structures have been removed; and how waste materials have been disposed of. Enclose pictures if available.

The geophysical survey and camp resulted in limited disturbance and the area has been left as found with no further rehabilitation required. Members from the Cambridge Bay Hunter and Trapper's Association witnessed and can confirm.

**9. CERTIFICATE OF COMPLETION:** Application for Licence Cancellation must be accompanied by either of the following:

- ☐ Application for Certificate of Completion enclosed; or
- ☐ Certificate of Closure enclosed.

The applicant is advised to consult with Aboriginal Affairs and Northern Development Canada regarding provision of the requested certificate.
