Subject: Review of 2008, 2009, and 2010 Annual Reports, for Licence No. 2BE-YAV0810

Dear Mr. McClintock:

The Nunavut Water Board (NWB or Board) received on October 28, 2010, from Savant Explorations Ltd., the 2008, 2009 and 2010 Annual Reports for the Yava Exploration Project, located approximately 165 kilometres south of Bathurst Inlet within the Kitikmeot Region of Nunavut.

On February 23, 2011, the NWB acknowledged receipt and distributed the documents to the public for information purposes. No comments have been received to date.

The review of the documents determined that they are generally consistent with the reporting requirements under Part B, Item 2 in Licence 2BE-YAV0810. The review also noted that no exploration activities were undertaken for the 2008, 2009 and 2010 reporting periods.

The NWB takes this opportunity to remind the Licensee that each annual report must be filed with the Board no later than March 31st of the year following the calendar year being reported and that expiration of the Licence does not relieve the Licensee of its obligations under the licence.

Should you have any questions, please do contact the undersigned at 867-360-6338 ext. 25 or by email at sjoseph@nunavutwaterboard.org.

Regards,
