Savant Explorations Ltd

Abandonment and Restoration Plan

Yava Property

November 10, 2008

Upon completion of each exploration period:

1. All wall tents will be removed of their canvas covers and backhauled to Yellowknife;
2. All fuel in camp will be placed into the wall tent floors to remove them from the ground;
3. All fuel caches will be consolidated and all empty fuel drums will be backhauled to Yellowknife to be disposed of in an approved waste disposal site through out the exploration program period. No empty fuel drums will be left on site;
4. All combustible garbage, bulky items, scrap metal, waste oil will be back hauled to Yellowknife to be disposed of in an approved waste disposal site;
5. Sumps will be treated with lime;
6. All outhouses will be filled in; and
7. All mechanical equipment, including water line and supply pumps, will be collected and backhauled to Yellowknife for maintenance and storage.
