Re: License Renewal for Lupin NWB1LUP0008 and Ulu NWB1ULU0008

Please find enclosed three copies of an application package and two cheques for \$60.00 for the renewal of the Lupin and Ulu water licences. At present time both sites are in care and maintenance as Zinifex Canada Inc. investigates the feasibility of re-commissioning the sites for production.

I am currently having the application package translated in to Inuktituk and Ininnuaqtun and I will forward these translations once they are complete.

If you have any questions concerning these applications, please do not hesitate to contact me at your convenience.

Sincerely

Aaron MacDonell
Health Safety and Environment Coordinator
