Hi Dave, see below a list of activities for the Ulu and Lupin Sites.

Lupin

- April – May, Lime addition to the Tailings Pond
- July –Sept, ongoing care and maintenance of site
- Activities related to the fulfillment of the INAC inspection reports
 - o Additional cover of the metals landfill area
 - o Proper fuel containment and or barriers for fuel drums, maintenance of containment areas
- June – Sept, Cache for fuel drums needed for the Environmental baseline field studies related to the Izok Mine and Road project
- August – Geotechnical Inspection of Dams
- August - Environmental Effects Monitoring (Environment Canada) – 2nd round biological study of the exposure and reference areas of the Lupin Mine Site
- August – Discharge of Pond 2 to the environment and work related to the SNP requirements of this action

Ulu

- June – Oct Ongoing Care and Maintenance
- June – Sept, Cache for fuel drums needed for the Environmental baseline field studies related to the Izok Mine and Road project
- August – Geotechnical Inspection

If there is anything else you need feel free to give me a call.

Regards

Aaron MacDonald
