Hi Richard, Derek,

Thanks very much for passing this along.

I'd like to provide some updated contact information to reflect staffing changes and a new office address.

New address for Blue Star:

Suite 507-700 W. Pender St.

Vancouver, BC

V6C 1G8

I will continue to be Blue Star's point person for licencing. You can reach me at my Blue Star email address: Sharleen.hamm@bluestargold.ca.

Please also include Darren Lindsay, Blue Star's new VP Exploration, on licencing related communications. Darren's address is d.lindsay@bluestargold.ca.

Peter has a new email address as well: peter.kuhn@bluestargold.ca

To complete the round of introductions, I have copied our new CEO, Grant Ewing. For new Blue Star folks: Richard manages licencing, facilitating the document exchanged among parties among other things. Karen leads the NWB's technical team and Derek is the technical lead on our files.

Thanks all for your ongoing collaboration!

Kind regards,

Sharleen
