Hello Karyn,

The preliminary review conducted for the above-referenced application, filed by Bonito Capital Corporation to assign Licence No. 2BM-ULU1520 to Lupin Mines Incorporated, determined that the following items should be submitted for the Nunavut Water Board's (NWB) consideration:

1. A copy Bonito Capital Corporation's response to Indigenous and Northern Affairs Canada's (INAC) October 20, 2016 Inspection Report; and
2. A copy of the 2016 Annual Report for the Project under Licence No. 2BM-ULU1520 if available. While the NWB notes that the 2016 Annual Report for the project is due on March 31, 2017, early submission of this report is advisable given the assignment application currently before the Board for consideration.

If you have any questions regarding the above, please contact me at your earliest convenience.

Regards,

Robin
