Good afternoon,

Mr Aglukark forwarded your email to me for response.

The project as described in the email below is located outside the boundaries of the North Baffin Regional Land Use Plan and the Keewatin Regional Land Use Plan.

As the project proposal falls outside the boundaries of the two approved land use plans implemented by the Nunavut Planning Commission (NPC), a review of the project proposal by the NPC is not required at this time.

Please contact me should you have any questions.

Sincerely,

Christopher

Re: Request for Confirmation – Elgin Mining Inc., Lupin Project

29 July 2011

Dear Mr. Aglukark,

Please accept this as a formal request for written confirmation that the Ulu Project does not require a land use conformity determination under NLCA Article 11, as it falls within the Kitikmeot

Region, which does not have an approved Land Use Plan. The coordinates for the Ulu Project are Latitude: 66°54'27"N and Longitude 110°58'24"W

This written confirmation is required for the Nunavut Water Board's licensing amendment process.

I greatly appreciate your response.

Thank you.
