HI Robin

As discussed and agreed with Phyllis this morning Bonito will responding to all interveners submissions, including the KIA on Tuesday, March 3, 2015 by 5pmMST.

Please note that in the submission from the KIA there is reference to an attached document from BGC that forms an integral part (from a consulting group) of the KIA's submission that neither the NWB or Bonito has received. I have contacted Luigi at the KIA in regards to this omission and he stated that he will be sending it shortly. We should all be receiving it, hopefully today.

Kind regards,

Karyn
