Good Afternoon Corey,

Thanks for the call this afternoon. As discussed can you confirm that there will no longer be tent/camping activities, essentially you plan to fly out by helicopter in a time-frame of one day for sampling and staking of the ground.

Please also confirm when your activities will be taking place.

Sincerely,

Cynthia Ene, MBA, P.Eng.- ٧٩٢٤٤ ٤٤٤٥٧

Hi Cynthia,

Yes - due to the timing that we are now in there will be no overnight program. We will fly out and sample and stake in one day. We plan to do this as soon as all the required approvals are completed, between Friday Oct 14th and November 30th as weather allows.

Corey
