Corey,

Hi, my name is Dave, and I've recently been assigned to the technical review of your application on behalf of Silver Range Resources for an Approval for the Use of Water or Deposit of Waste without a Licence (NWB file 2WLC-QRP----).

Could you please provide a letter from Silver Range Resources indicating that you are authorized to act as their representative in this matter?

Note that Block 2 of the application form indicates that a letter should be attached to the application.

(Sorry for the nearly duplicate emails, but for simplicity I'm reviewing the two files together).

All the best,

Dave
