RE: NPC File # 148825 [Quannitug Recce & Takijug Lake Recce]

1. Twin otter-based mineral exploration
2. Small camps
3. Location: Kitikmeot Region; [West of Thelon Sanctuary, and northwest of Lupin]

The Nunavut Planning Commission (NPC) has determined that this project proposal is outside the area of an applicable regional land use plan and is exempt from screening by the Nunavut Impact Review Board (NIRB). The project proposal does not require screening because it belongs to a class of works or activities set out in Schedule 12-1 of the Nunavut Agreement, and the NPC does not have concerns regarding the cumulative impacts of the project proposal.
