ATTN: Phyllis Beaulieu, Manager, Licensing

Dear Ms. Beaulieu :

Further to the conversation of Jim Wall (Manager, Utilidor Systems, Rankin Inlet) with David Hohnstein, I am submitting the following request to the Nunavut Water Board to withdraw our recent application to the NWB for an Emergency Amendment to Water License 3AM-ARV1015. This Application, which was filed with the Board in April of 2011, requested the addition of Goose Lake as an approved, emergency interim water source.

Please be advised that the conditions which would require this source to be utilized on an emergency basis no longer exist, and accordingly the Department is withdrawing our application at this time. Please note that, should unforeseen conditions arise which would require the utilization of this source, the Department reserves the right to resubmit an application to the Board for that purpose.

Thank you for your assistance in this matter. Should you have any questions, please do not hesitate to contact Jim Wall at 867-645-8058, or via email at [jwall@gov.nu.ca](mailto:jwall@gov.nu.ca).

Sincerely,

Jason Tologanak, Region Director, Kivalliq
