Good Afternoon Melissa,

Thanks for sending the email, I actually did not receive your earlier message, was it a voicemail or email?

With regards to your question, the NWB keeps a record of our communications with the applicant on our FTP site. Till date, we have not received any submissions from the GN (the applicant). They have not provided a clear timeline as to when we can expect their submissions, therefore at this time the file is on hold.

Hi Cynthia,

Just following up on the message I left you a few weeks ago regarding the Type A WL process for Arviat. It would be helpful for planning purposes to know if there will be any activity on this file in the foreseeable future.

Thanks,
