Good afternoon Phyllis,

I am inquiring as to the status of the Short Term Renewal Application for the Hamlet of Arviat Water Licence No. 3AM-ARV1015 submitted to the NWB on March 30, 2015. As described in the application cover letter, a Short Term Renewal of 180 days, with no changes to the existing licence, would allow for a full 12 months to process the full Amendment/Renewal Application submitted to the NWB on February 27, 2015.

I have not received any correspondence regarding the Short Term Renewal Application since it was submitted. Please advise if this application has been received by the NWB and whether it is/will be processed.

Regards,

Megan
