**Re: Hamlet of Arviat – Application for Type A Municipal Water Licence 3AM-ARV----**

Please find attached Environment Canada's written submission to the Nunavut Water Board in respect of the Public Hearing scheduled for July 20-22, 2010 concerning the Hamlet of Arviat's municipal water licence renewal.

Paula Smith will be in attendance at the public hearing to make a formal presentation of this intervention, and will be available to respond to any questions which the Nunavut Water Board members, the proponent, or the public may have concerning the issues raised by Environment Canada in this submission.

If you wish clarification on any aspect of this submission prior to the public hearing, please contact Paula Smith at 867-975-4631 or email [paula.c.smith@ec.gc.ca](mailto:paula.c.smith@ec.gc.ca).

Yours sincerely,
