Good afternoon,

Please find attached for Type "A" Water Licence No: 3AM-ARV1016: Pre-Hearing Conference Decision Report Regarding an Application to Renew and Amend Expired Water Licence No: 3AM-ARV1016. The next steps preceding the public hearing are:

- On or before Friday, **March 25, 2022** the NWB will issue the Pre-Hearing Conference Decision Report and Notice of the Public Hearing;
- On or before Thursday, **April 14, 2022** any party requesting French translation of the Executive Summary materials, final written submissions of parties, reply submissions and/or presentation materials should make such requests to the Board in writing;
- On or before Thursday, **April 28, 2022** the Interveners, members of the public or other interested parties must file any further and final written submissions in respect of the Application with the Board;
- On or before Thursday, **May 12, 2022** the Applicant must file any further responses to the information filed in advance of the Public Hearing and final written submissions with the Board;
- On or before Friday, **May 20, 2022** all parties must file any final statements and/or presentation materials they wish the Panel to consider in their decision-making for the Application; and
- In the week of May 30-June 3, 2022 the NWB conducts the Public Hearing for the file in-person in Arviat and (if the Board decides all relevant information has been received) may close the Public Hearing Record and remit the matter for decision-making.

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
