Good Morning Ali,

Please see attached, the Presentation for the Hamlet of Chesterfield Inlet Public Hearing.

I have also cc'd Robert, as I saw he sent out the official presentations for the remainder of the group.

We will have this translated into Inuktitut, and provided afterwards. Just wondering if there was a preference on what dialect?

Thank you,

Stephinie Mallon

Hello Stephinie,

We understand that there may not be enough time to get translated versions of your presentation for the Public Hearing. It will be okay if you submit translated versions at a later date.

Thank you for accommodating the request with a short notice.

Good morning Stephinie,

That will work for us.

I wanted to ask if you will be able to do a brief presentation during the daytime session stating ECCC's role in the Licensing process? It could be only a few slides showing ECCC's information requests were met.

Please let me know if that is possible.

Regards,

Ali

Good Afternoon Ali,

Yes, I will attend the Chesterfield Inlet Public Hearing on behalf of ECCC in Observer status.
I was planning to attend virtually myself for the daytime sessions on the 15-16, but wasn't planning to attend the evening session for the community.

Does that work for you?

Thank you,

Stephinie Mallon

Subject: Public Hearing for Chesterfield Inlet (3AM-CHE----

Hello Stephinie,

The NWB is conducting an in-person Public Hearing in Chesterfield Inlet, for their Type "A" Water Licence application, next week on November 15-16. We will have virtual participation available through Zoom video-conferencing.

During the TM-PHC, ECCC stated that they will attend the Public Hearing virtually. I am writing to confirm whether ECCC is still planning to attend this meeting virtually?

Hope to hear from you soon.

Regards,

Ali
