Dear Ms. Sammurtak:

RE: ANNUAL REPORT SUBMISSION REQUIREMENTS  
WATER REGISTER NO.: N6L4-1538

Please be reminded, as in previous years, of the requirement to submit an Annual Report. This report is a requirement of the Northwest Territories Waters Act and Regulations (Section 15 (1) of the Regulations). Per a letter sent to you last year (and from discussions with your staff during my inspection in the summer of 1994), the report is to be submitted to the NWT Water Board not later than March 31" following the year being reported. This letter is intended to act as a reminder of that requirement, and to provide you with an opportunity to request any assistance that may be needed. As well, it would be appreciated if you could provide a copy of the completed report to the Nunavut District Office located in Iqaluit. (address noted above).

To facilitate the completion of the report, I have enclosed for your use, a blank form that can be used as a "template" for the Annual Report. Please feel free to use additional pages if more space is required to provide the necessary information.

If you have any questions after reviewing the general format of the report, please feel free to contact the undersigned at any time at (819) 979-4405.

Sincerely,

Dan Elliott  
A/District Manager
