Dear Lootie Toomasie:

Thank you for your correspondence of December 20, 2023, conveying the Nunavut Water Board's reasons for its decision and recommendation, concerning the application filed by the Government of Nunavut, Community and Government Services, on behalf of the Applicant/Licensee, the Hamlet of Chesterfield Inlet, to replace the Hamlet of Chesterfield Inlet's expired Type B Water Licence (3BM-CHE152) with a new Type A Water Licence (3AM-CHE2333). This new Type A Water Licence will authorize the continued use of water and the deposit of waste associated with the Applicant's operation of a municipal undertaking in the Hamlet of Chesterfield Inlet for a ten-year term.

In accordance with subsection 56(2) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act*, I am pleased to inform you that I have approved the Nunavut Water Board's issuance of the new Type A Water Licence (3AM-CHE2333), as recommended by the Nunavut Water Board. The signed original is enclosed.

Sincerely,

Hon. Dan Vandal, P.C., M.P.

Encl.

Canada
