Re: Your fax dated April 29, 2002

Dear Mr. Ningeongan:

The Nunavut Water Board acknowledges receipt on April 29, 2002 of your fax of that same date requesting if you needed a water permit for the proposed access road. A map was included. As per our phone conversation, this road does not actually cross any water sources as there is a 15m. gap between the two lakes that it goes between. For this reason, no water permit is required at this time. If you determine at a later time that this project will affect water please let us know.

Sincerely,
