Re: Hamlet of Coral Harbour

The Nunavut Water Board received an amendment water license application from the Hamlet of Coral Harbour for approval of the fencing and berm of the sewage deposit area.

Notice of this application will be posted at local organizations in Coral Harbour.

The following documents are available through the internet on our ftp site at <http://ftp.nwb.yk.com> in the folder "nwb" and subfolders "NWB3 MUNICIPAL" and "NWB3COR".

- notice (in English and Inuktitut)
 - cover letter received September 12, 2003
 - application form
 - supplementary questionnaire
 - project description in English and Inuktitut
 - maps and drawings (distributed via regular mail)
- Due to the size of the maps and drawings NTI, Kiv Lands, DIAND, DFO, EC and DSD will receive copies via regular mail. Anyone requiring documents not on our ftp site, please contact Bryan Purdy at CG&T.

NWB3COR0207 is exempt from conformity review by NPC and from screening by NIRB because of its municipal status. The Nunavut Water Board is accepting written concerns and comments with regard to this project before **December 19, 2003**.

Sincerely,

Original signed by:

Phyllis Beaulieu,
A/Licensing Administrator
