Good morning,

Please find attached CIRNAC response to the Government of Nunavut's response to inquiries on the 2022 Annual Report for the Hamlet of Coral Harbour's Water Licence No: 3AM-COR2232. The Nunavut Water Board requests a response to CIRNAC's recommendation No. 6, by the deadline of **September 15, 2023**.

Copies of all documents received in support of this submission can be accessed through the NWB's Public Registry and FTP site using the following Link:

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
