**Re: Government of Nunavut for the Hamlet of Rankin Inlet
License NWB3GRA0207
Renewal Application and Compliance Submissions
File No. N-O 14850**

Dear Ms. Beaulieu,

Enclosed is an application submitted on behalf of the Government of Nunavut, Community of Government Services, for a water license renewal for NWB3-GRA-0207 for the Hamlet of Rankin Inlet. The GN is seeking a 5 year renewal/replacement of this license. This license includes all water intake and sewage disposal activities for the Hamlet of Rankin Inlet. The requested license will be valid from issuance (2009) for 5 years until February 2014.

Overall, the water supply and sewage disposal will not substantially impact the quality, quantity, or flow out rates of water through Inuit owned lands.

This submission includes:

- Application for a Nunavut Water Board License
- Executive Summary of License Application
- Water License Application – Supplementary Questionnaire for Municipalities
- Application fee of \$30.00 (c/o Receiver General for Canada).

In addition, this submission includes compliance items that are conditions of the license as follows:

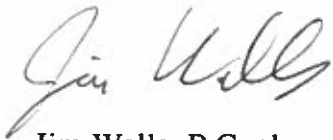

- Water License Annual Report 2008, Hamlet of Rankin Inlet Water Use and Waste Disposal
- Sewage Treatment Facility Operation and Maintenance (O&M) Plan, Hamlet of Rankin Inlet

- Water Supply Facility Operation and Maintenance (O&M) Plan, Hamlet of Whale Cove
- Environmental Emergency Contingency Plan, Hamlet of Rankin Inlet
- Environmental Monitoring Program and QA/QC Control Plan, Hamlet of Rankin Inlet.

If you have any questions regarding this submission, please contact the undersigned

Yours truly,

Nuna Burnside Engineering and Environmental Ltd.

Jim Walls, P.Geol.
