Hi Don;

The project population in Rankin Inlet for 2010 is 2,791 based on the Nunavut Bureau of Statistics.

Subject: 3AM-GRA---- Rankin Population

Good Afternoon Wayne

Following out teleconference last week the NWB updated out Panel for the GN-CGS application. The Panel would like to know what is the most up to date population estimate for Rankin Inlet as the application included only the 2006 census population. Could you provide the current population estimate in support of the GN-CGS application?

Much appreciated.

Don
