Re: Return of Outdated Cheque Number 0338

Dear Mr. Walls:

The Nunavut Water Board (NWB or Board) acknowledges receipt on March 19, 2009, of the attached cheque dated December 18, 2008. Due to an administrative error on our part, this cheque was never sent to Indian and Northern Affairs in Iqaluit for processing. We apologize for this oversight.

Please provide our office with another cheque to replace the one being returned. If you wish you may also make this payment with a Visa card by calling the undersigned and providing the appropriate information.

Sincerely,

Original Signed By:
