**Re: Request for Extension - Information Requests by Parties for Amendment Application
3AM-GRA1015 – GN-CGS Hamlet of Rankin Inlet**

Dear Phyllis Beaulieu:

Thank you for distributing GN-CGS Hamlet of Rankin Inlet amendment application and call for Information Request (IRs) on August 23, 2013. The IRs are to be submitted to the Nunavut Water Board by September 13, 2013.

Aboriginal Affairs and Northern Development Canada (AANDC) would like to request an extension of **one (1) week** to complete a more thorough review of GN-CGS Hamlet of Rankin Inlet amendment application and call for Information Request (IRs) with a revised submission date of September 20, 2013. Recognizing this amendment is regarding a Type 'A' licence application, AANDC would like additional time to consult with other regulators and agencies with respect to potential impacts of the project amendment.

Thank you for your consideration of this request.

Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4568 or by e-mail at Rory.MacDonald@aandc-aadnc.gc.ca
