The Board wishes to emphasize that all the timelines set out in the PHC Decision and summarized in Table 1 are based on the assumption that all parties meet their commitments to provide documentation as directed by the Board. Any parties' failure to meet these timelines may result in changes to the Public Hearing dates, tentatively set for March 9 and 10 in the community of Rankin Inlet. Consequently, if circumstances arise that will affect any parties' ability to meet the timelines specified by the Board, the Board requests that the party contact the Board as soon as possible with a written request to modify the timelines and containing the information set out in Part 6 of the PHC Decision. Parties should be aware that until the Board grants a request to modify the timelines, the unmodified timelines continue to govern the Board's processing of the Application.

If you have any questions or require clarification on the above, please contact Karén Kharatyan, Senior Technical Advisor / Acting Manager of Licensing at 867-360-6338 or by e-mail to karen.kharatyan@nwb-oen.ca or David Hohnstein, Director of Technical Services at 780-443-4406 or by email to dts@nwb-oen.ca.

Sincerely,

Stephanie Autut
