Hello Richard,

Crown-Indigenous Relations and Northern Affairs Canada's only comments on the draft agenda is regarding the change of dates which was circulated in an email after distribution of the agenda. We are presuming the community session will be occurring on February 25th, and not as originally planned on February 24th, but would appreciate confirmation. In addition

- CIRNAC will be attending the Technical Meeting, Community Session and Pre-Hearing Conference.
- Bridget Campbell and Sarah Forté will be presenting and Lisa Bachellier and Miriam Giroux-Paniloo will be observing the Technical Meeting and Pre-Hearing Conference via zoom. Bridget Campbell and Sarah Forté will be attending the community session via zoom. We are still confirming if someone from CIRNAC could attend the community meeting in Rankin Inlet.
- CIRNAC wishes to make a formal presentation, we sent our powerpoint presentation to the Board on February 8th, and our summary in three languages is attached to this email.

Regards,

Sarah

Subject: Hamlet of Rankin Inlet's Municipal Amendment Application to relocate the Water Uptake Facilities from the CharRiver to Lower Landing Lake for water licence 3AM-GRA1624

Good morning,

Please note the technical meeting and pre-hearing conference will now take place **February 24-25, 2021**, for Hamlet of Rankin Inlet's Municipal Amendment Application to relocate the Water Uptake Facilities from the CharRiver to Lower Landing Lake for water licence 3AM-GRA1624.

The updated steps preceding the technical meeting and pre-hearing conference are:

- February 17, 2021: Submission of Applicants and Interveners presentations for the proposed technical meeting (including translated versions). Confirmation of attendance and draft agenda.
- February 19, 2021: Circulation of final agenda for the Technical Meeting / Pre-Hearing Conference.

Regards,

Richard
