Subject: Submission of Design of Pipeline System to Augment Natural Replenishment of Nipissar Lake – 3AM-GRA1015

Dear Mr. Wall:

The Nunavut Water Board (“NWB”) acknowledges receipt of a submission from Dept. of Community & Government Services, Government of Nunavut entitled Design of Pipeline System to Augment Natural Replenishment of Nipissar Lake, received on April 27, 2011 as a requirement of Part C, Item 8 of water license 3AM-GRA1015. This submission has been placed on the NWB public registry and is available from the NWB ftp site.

The NWB gives interested persons thirty (30) days to review the submission and make representations to the NWB. All representations shall be submitted to the NWB by mail, fax or email before August 1, 2011, 5:00 pm Mountain Standard Time. At the end of the review period the NWB will review all submissions and you will be contacted should concerns arise or should additional information be needed. Thank you.

Please forward all comments to licensing@nunavutwaterboard.org

Sincerely,
