Good afternoon Megan,

After consideration of the request and considering the efforts CGS has provided to the municipalities in Nunavut to submit the municipal annual reports prior to March 31, 2015, AANDC will not consider the submission of the *Water Pumping Adaptive Management Plan*, Part C, Item 11 of Water Licence No. 3AM-GRA1015 Amendment No. 1 to be late and in non-compliance if it is submitted on or before May 15, 2015.

Regards,
Robert
