Mr. Lucasee Ivalu
Mayor
Hamlet of Igloolik
Igloolik, N.W.T.
XOA OLO

Dear Mr. Ivalu:

The Northwest Territories Water Board would like to initiate proceedings to grant the Hamlet of Igloolik a Water Licence under the Northern Inland Waters Act.

We already have on file completed Schedule II Application for a Water Licence for your municipality, however, we have enclosed additional Schedule II applications so that you can provide up-to-date information on the water and the sanitation services in the Hamlet of Igloolik..

The spring of 1987 has been tentatively scheduled as a possible time for a public hearing.

If you have any questions or require more information concerning the above, please contact my office at 403-920-8191 or the Water Resources Division of INAC in Yellowknife at 403-920-8240.

Yours truly,

for

Glenn B. Warner
