Hi Phyllis

For clarification, please disregard the information sent in 2012. Although it may seem similar it has been updated or revised. As a result, I suggest NWB consider using only the information recently sent in 2014 for our renewal, and advise me of any further information you may require.

Thanks, Brian

Thank you for the application documents. Please be advised that some information was provided in 2012 that may be duplicated with the current submissions. Please review what was received in 2012 and advise which documents the NWB is to consider with the renewal.

Here is the link to the application folder.

Hi Phyllis,

Please find attached our application and supporting documents to renew our water license with the NWB.

Our application is being sent electronically, and consists of two emails.

I would appreciate confirmation from once you have received both emails, and please do not hesitate to contact me if you require additional information, or have any questions. A scanned copy in payment of the application fee is included, and it will be mailed to your office.

Thanks in advance, Brian
