Re: Igloolik Water Reservoir Expansion

Dear Mr. Heath

Thank you for your correspondence dated February 23, 2016. The Department of Health has reviewed the supporting documents entitled Igloolik Risk Assessment Report final and Igloolik Water Reservoir Expansion with respect to the proposed expansion of the Igloolik water reservoir. The Department of Health has no objection to the proposed expansion and grants approval from a health perspective to move forward with the project.

Thank you

Dr. Maureen Baikie, BScPHM, MD, MSc, FRCP (C)

Deputy Chief Medical Officer of Health
