Distribution list. NWB file # NWB3IGL

The Nunavut Water Board (NWB) has received a Water licence application from the Municipality of Igloolik dated August 15, 1997

Applicant:               Municipality of Igloolik  
                              P.O. Box 30  
                              Igloolik, NT XOA OLO

Purpose:                 Municipal Water licence for the  
                              expansion of the water reservoir  
                              and sewage lagoon.

Attached you will find the Water licence application and associated documents pertaining to this application.

The NWB would appreciate your comments in writing before September 30, 1997.
