Re: Your fax dated September 5, 2001 regarding Sewage Disposal System

Dear Mr. Hauli:

The Nunavut Water Board (NWB) acknowledges receipt on September 5, 2001 of your fax with regards to Igloolik's sewage disposal system. Your fax indicated the following two actions:

- 1) Transferring of sewer to cell 1 for best seepage
- 2) Building a reserve lagoon.

With regards to the **first** item, the NWB hereby approves your request as per Part E, Item 2 of licence NWB3IGL9803. All other terms and conditions of the licence continue to apply with regards to this modification.

With regards to the **second** item, a formal application for amendment to NWB3IGL9803 is required prior to the construction of such a reserve lagoon. Please note Schedule II attached to licence NWB3IGL9803.

The application for amendment must include the following items:

- application form (see attached)
- detailed information including, but not limited to, design drawings, treatment efficiency, impacts, objectives etc. in order that the amendment may be processed as efficiently as possible.
- \$30 application fee payable to the Receiver General for Canada

Please submit this application at your earliest convenience, so that it can be processed by NWB. Should you have any questions, please do not hesitate to contact our office.

Sincerely,

Original signed by:

Rita Becker
Licensing Administrator
