Hi Bhabesh,

The next steps are for the Board members to make their recommendations to the Minister. Per my e-mail to you earlier this week the NIRB Board members are sitting in a Final Hearing this week and will be unable to look at the file until next week at the earliest. If any additional information is required from you I will let you know.

For you questions regarding the NWB water licencing process, you can contact Karén Kharatyan at karen.kharatyan@nwb-oen.ca or (867) 360-6338 ext. 26.

Please let me know if you need to discuss the NIRB process further.

Regards,

Heather

Subject: FW: NIRB 15UN040: Comment's Received for GN-CGS' "Water Licence-Hamlet of Igloolik" project proposal

Hi Heather,

I see that both (INAC and DFO) have no concern on project proposal. What is the next step of this file?

Can I now submit the formal WL Amendment application to NWB??

Please confirm this e-mail ASAP.

Thanks.

Bhabesh
