Re: Municipal Water licence for the expansion of the water reservoir and sewage lagoon.

Dear Sir/Madam,

The Igloodik H.T.O. board of directors had comments on Water licence application from the Municipality of Igloodik on their September 17, 1997 meeting. Firstly, they are in support of the application that Municipality of Igloodik has made. The board felt that there will not be any problems regarding to wildlife and land and that reservoir and sewage lagoon needs to be expanded because of increasing population of the community.

If you have any questions or concerns please do not hesitate to contact us. Thank-you.

Sincerely,

M. Gattalini
