Subject: Hamlet of Igloolik Water Licence Application
Funding Requirements for a Public Hearing

Dear Mr. Sero,

Pursuant to the provisions of Article 13, Part 7 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*, the Nunavut Water Board will hold a public hearing on an application filed by the Hamlet of Igloolik respecting water use and waste disposal for this community. This public hearing is scheduled to take place in Igloolik during the week of February 17, 1998.

To this effect, you will find attached a preliminary budget outlining the financial requirements of the Nunavut Water Board for this hearing. The amounts presented in the budget are based on the least expensive scenario (use of charter aircraft to and from Igloolik). However, this may vary substantially depending on weather and the availability of a suitable and safe means of transportation at that time, as most small aircraft used by local charter companies cannot fly under extreme weather conditions.

I trust this will be to your satisfaction. Do not hesitate to contact me should you require additional information on this matter.

Yours sincerely,

Philippe di Pizzo
Executive Director
