RE: Igloolik Water Licence Hearing

Dear Dionne,

Sorry for the delay in getting back to you. After looking at the current projects in Igloolik we have decided that it may be beneficial for myself and Michele Bertol, who looks after community planning and Municipal Incremental Infrastructure Projects, to attend. I don't know what size aircraft you are chartering in, or if two seats are available. If you are not chartering, we will likely not be attending, since we do not have the funds to travel at this time.

Thank you for considering us.

Sincerely,

Panya Smith
Capital Programs Officer
Municipal and Community Affairs
