Subject: Public Hearing - Hamlet of Igloolik Application for a Licence
File Number: NWB31GL

Dear Mr. Mayor,

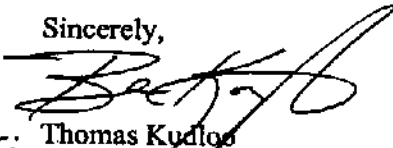

I would like to confirm that the Nunavut Water Board will be in Igloolik to hold a hearing on the Hamlet's application for a licence on February 18, 1998 commencing at 6:30 P.M.

In accordance with our Rules of Procedures for the conduct of a Public Hearings, we will begin with a prayer, opening remarks from the Nunavut Water Board Chairperson, and the presentation of Board members and staff present at the hearing. We will then begin the hearing with a presentation by the Hamlet of Igloolik, followed by interventions and questions from the public. In order to prepare our list of participants, we would like to know the name and title of the person who will make the presentation on behalf of the Hamlet, and whether a written document will be made available at the hearing.

Also, our board members, staff and other interested parties would like to tour the municipal infrastructures (drinking water system, sewage treatment, solid waste disposal site, etc.) the morning of the hearing, from 10:15 A.M. to 12 A.M. We would appreciate if you could arrange for transportation for 20 people and delegate one of your municipal staff to accompany the group and provide information on the facilities.

I would appreciate a prompt reply since the date of the hearing is fast approaching. You may contact me in Baker Lake at (867) 793 2140, or contact our Technical Advisor, Ms. Dionne Filiatrault, at the NWB office in Gjoa Haven, at (867) 360 6338.

Sincerely,

cc: Thomas Kudloo
